

Celebrate with us!

2019 is a special year for the PEFC family: we turn 20!

20 years ago, small-forest owners came together to create an international forest certification system. On 30 June 1999, PEFC was born.

Join us as we celebrate the achievements from 20 years of caring for forests globally and locally!

Discover the story of PEFC

Through a series of chapters, we are telling the story of PEFC, from the early ideas back in 1999, until today.

From July to June, visit our website to discover texts, photos and videos about PEFC's history, approach, members, stakeholders and much more. Each month, one chapter will shed light on another facet of PEFC.

Visit www.pefc.org to read the latest stories and follow **#20yearsofcaring** to discover even more!
